April 2025.

Dear Parent/Carer,

We are delighted to share Frodsham Primary Academy will be hosting a **Small Schools District Sports Event** for primary schools in the local area. This exciting event will bring together pupils from nearby small schools for a morning of friendly competition, fun, and celebration of sport.

While full details of the event will be shared with you soon, we would love to get our pupils involved in the preparations straight away — and that's where this week's **homework challenge** comes in!

Design the Front Cover – Competition Time!

We are inviting children to design the **front cover** of the official **event information leaflet** that will be handed out to visiting schools and families on the day.

Your child's design should include:

- Bright, eye-catching colours
- Images or drawings of sporting events (e.g., running, jumping, team races)
- A positive, energetic theme
- Optional: Include our school logo if they'd like (template available on request)

We will be selecting **one or two winning designs** to feature on the final leaflet and display proudly during the event!

Please return completed designs by **Monday 12th May** so we have time to choose and prepare the materials. Designs can be completed on A4 paper and handed to the class teacher.

We look forward to seeing your child's creative ideas and thank you for your support.

Warm regards,
Alice Pemberton
