Dear Parents/Carers,

Re: Referral to KidsBank Chester for Pupil Premium Families

We are writing to inform you of an important opportunity for families who are eligible for pupil premium funding. As part of our ongoing efforts to support the well-being and welfare of all our pupils, we are working with KidsBank Chester, a local charity dedicated to supporting families in need.

What is KidsBank Chester?

KidsBank Chester provides essential items such as clothes, school uniforms, toiletries, toys, and other items to families who may be struggling financially. Their mission is to make sure that all children, regardless of their family's circumstances, have access to the resources they need to feel supported and confident. As it is coming up to Christmas they are accepting referrals to support families with Christmas presents as we know it can be an expensive time of year.

Referral Process

As part of our commitment to supporting our pupil premium families, we will be referring all children who have been eligible for pupil premium to KidsBank Chester. This referral will involve sharing names and addresses with KidsBank to enable them to provide the appropriate support. As a school, we will support parents further by collecting the gifts from KidsBank so you only have to collect from school. We will be in touch once the gifts are ready for collection some time in December.

Consent

Please note that the referral process will only take place if you are happy for us to pass on your details to KidsBank. If you **do not consent** to your details being shared, please let us know by **Tuesday 25th November** and we will respect your wishes. If we do not receive a response, we will assume that you are happy for us to proceed with the referral.

If you have any questions or concerns about this process, or if you would like to discuss the support KidsBank Chester offers in more detail, please do not hesitate to contact me on sprice@wpat.uk.

Yours sincerely,

Kind Regards,

Mrs S Price
