Headteacher: Mrs Gemma Callaghan

PSHE consultation

Dear Parents and Carers,

We have written a new policy for our PSHE/ RSE curriculum, which we aim to implement from September. As part of this process, we are required to consult with stakeholders and gather any feedback on our plans and the resources we intend to use.

Consultation Sessions

I will be hosting two sessions for parents who would like to view the curriculum plans and resources:

- Wednesday 4th March, 9.00–10.00am
- Thursday 12th March, 2.00–3.00pm

During these sessions, you will have the opportunity to review our proposed curriculum. Post-it notes will be available for you to leave anonymous feedback or questions about the content. If you would like to attend, please contact the school office to book a place.

Consultation Deadline

The consultation period will close on Friday 13th March, allowing time for the policy to be reviewed and ratified by Governors ahead of the September launch.

Kind regards,
Mrs Callaghan
