'Light it up blue' for Autism, Wednesday 24th April, 2024.

Dear Parents and Guardians,

April is Autism Acceptance Month, a time when we come together to celebrate and promote understanding, acceptance, and inclusion of individuals on the autism spectrum. At Frodsham Primary Academy, we recognise the importance of fostering an environment where every child feels valued, supported, and included, regardless of their differences.

Autism is one of the biggest areas of need in our school community, and we are proud to have a diverse range of children, each with their own unique strengths, talents, and perspectives. As we celebrate Autism Acceptance Month, it is essential for us to reflect on the ways we can support and empower our students on the autism spectrum. We believe that every child has the right to a quality education and the opportunity to reach their full potential. That is why we are committed to providing a nurturing and inclusive learning environment where all students feel safe, respected, and understood.

Autism Acceptance Month is not only a time for celebration but also a time for education and advocacy. On this day, we are asking all our children to join in with the 'light it up blue' movement, where all children can dress in all blue as a sign of support for children on the spectrum. In school, we will also raise awareness about autism, challenge stereotypes, and promote acceptance and celebrate strengths which will support understanding within our school community and beyond.

We encourage you to join us in celebrating Autism Acceptance Month by engaging in conversations with your child about autism, promoting acceptance and inclusion, and participating in awareness-raising activities both at home and at school. Together, we can make a difference and create a more inclusive and accepting world for individuals on the autism spectrum.

Thank you for your continued support and partnership in creating a school community where every child feels valued, respected, and empowered to succeed.

Many thanks,
Miss Pemberton.
