

### Computing

Information Technology:

We will be continuing to look at what technology is and how to use a laptop. We have looked at the different parts of a laptop and will now continue to develop our own skills in using a laptop.

**Understanding of the world**

### Art

Sculpture: We will be looking at what sculpture is and the different types of sculpture. We will have a focus on Greek sculptures and be creating our very own masks.

**Expressive Arts and design – creating with materials**

### Design and Technology

Food and nutrition: We will be continuing our work on food and looking at how to make a cupcake

**Expressive Arts and design – creating with materials and being imaginative and expressive ELG**

### Religious Education

We will be recapping our learning on Christianity and the Church. We will also be looking at Hinduism this half term. We will be thinking about similarities and differences between religions learnt so far.

**Understanding the world – people, culture and communities ELG**

### English-Writing

Book – The Secret of Black Rock by Joe Todd-Stanton

Writing outcomes:

We will be writing a return narrative and a diary in role as the main character from the story.

Year 1 will have a focus on different spelling rules such as using prefixes and suffixes and grammar focuses such as using different types of sentences and conjunctions.

### History

Romans:

We will hear stories that help to build the foundational knowledge of the Romans. We will learn about the first emperor Augustus, emperor Hadrian and the life of Julius Caesar. We will learn how two of our months, August and July are named after famous Romans.

**Understanding the world – past and present ELG**

### English- Reading

Whole class guided reading with a focus on growing – linking to our previous science unit.

We will be looking at a variety of non-fiction books about seeds and plants.

We will be developing our vocabulary, fluency, inference and comprehension skills through a series of lessons based around the different books above.

### Geography

This half term we will recap our learning on the UK, testing our knowledge about the different facts learnt about each country.

Our main focus across summer term is fieldwork where we will be exploring our school grounds using and developing the skills we have gained so far this year.

**Understanding the world – The natural world ELG**

## REC/Year 1 Summer 1 Termly focus
