RE: Uniform and School Logo

Dear Parents and Carers,

Frodsham Primary Academy was the latest school to join Warrington Primary Academy Trust on 1st May 2022. The multi academy have schools based in Warrington, Halton and now Cheshire and have forged an expectation of excellence. We are very proud to be a part of this innovative trust that places children at the heart of every decision made.

I have written to you previously regarding the change in uniform and I am now able to confirm the details. We are expecting a transitional period for those families who wish to hand down existing uniform and school bags etc to make this financially viable. So, as parents and carers replace old uniform, it will be with the new colour (navy blue) and logo. Our uniform stockists have been informed and they will be ready to issue stock from the summer term in preparation for the September 2022 role out. As a school, we will be purchasing the first jumper or cardigan for every child as well as a tie and book bag. Please come into school week beginning Monday 20th June between 8.30-9.00 or 3.15-3.45 to try on our sample uniform for sizing then as a school we can place our order for your first garments to be delivered ready for September. Our uniform will continue to be supplied by My School Style as previously used.

I have been requested by a parent to sample iron on badges, this is still in discussion with the marketing team and our suppliers, and I will inform you when I have any updates with this. I have listed the full uniform on the following page and listed a variety of stockists for each uniform item. PE kits should come into school in a drawstring bag and a small book bag may be brought into school with reading books and homework. No large rucksacks are required due to space constraints.

Should you have any further questions, please come and speak with me and I will be happy to talk things through with you.

Kind regards,

Mrs Callaghan
