**February 2024**

Dear Parents/Carers,

This half term, we are thrilled to be able to offer 'healthy steps club' for **both** parents and children. On a Tuesday and a Thursday, we will be opening the field at 3.20 – 4.00 for parents to bring their children to the field. This is a chance for children to run around the golden mile and for parents to 'get some steps in'.

Please note, there will be a staff member there, however parents/ carers are responsible for their own children and children cannot attend unaccompanied.
