Organisation and facilities

- 1.1. Securing good attendance is not seen in isolation. Warrington Primary Academy Trust's (WPAT's) effective practices for improvement involve close interaction with curriculum planning, positive behaviour, bullying prevention, safeguarding, special educational needs and medical needs support, mental health and wellbeing, and effective use of resources. WPAT's foundation for securing good attendance is that school is a calm, orderly, safe, and supportive environment where all pupils want to be and are keen and ready to learn.

Rationale

- 2.1. WPAT promotes the benefits of good attendance for all pupils. It sets and expects high standards of attendance for every pupil, communicates those expectations both clearly and consistently to pupils and parents/carers and systematically analyses their data to identify patterns to target their improvement efforts. We are committed to working together with children and parents to promote 100% attendance wherever possible.
- 2.2. For some pupils the barriers to accessing education are wide and complex, both within and beyond the school gates, and are often specific to individual pupils and families. Some pupils find it harder than others to attend school and therefore at all stages of improving attendance, WPAT and partners will work with pupils and parents/carers to remove any barriers to attendance by building strong and trusting relationships and working together to put the right support in place.
- 2.3. Improving and supporting attendance is the responsibility of everyone in school. We believe that good attendance is essential for pupils to get the most out of their school experience, including their attainment, wellbeing, and wider life chances.

Policy aims (based on DfE guidance and best practice)

- 3.1. We will ensure:
 - a culture of good attendance that reflects WPAT's guiding principle and core values and that is embedded and enacted in everything we do.
 - a named Trustee/Governor responsible for the attendance portfolio will be in place and knowledgeable about school attendance.
 - strong school leadership, where leaders are highly visible and ambitious attendance goals are set.
 - attendance and punctuality are set as a priority for all those associated with the school including Trustees, Governors, pupils, parents/carers and teachers.
 - an improved overall percentage of pupils at school.
 - accurate admissions and attendance registers in place in all schools.
 - there is a framework which defines agreed roles and responsibilities and promotes consistency in carrying out designated tasks.
 - a first day response in all schools as part of their robust daily response to absence.
 - there is a dedicated senior leader responsible for attendance and championing and improving attendance.
 - there is a Trust and school Data Manager who will provide training on

attendance data management, supporting early identification and risk reduction for schools.

- there are monitoring reports for the Trust, Governor Committees, and schools.
- all school staff receive annual attendance training, and that attendance is part of school induction protocols.
- the Trust has a Strategic Lead for attendance who works with schools to improve attendance and is point of contact for advice and support.
- the WPAT Education Inclusion Hub supports the sharing of good practice for attendance across the Trust.
- each school has a Welfare Team in place and resources to support families at risk of poor attendance.
- work takes place with families to address the reasons for absence including in school barriers.
- vulnerable pupil groups including LAC, receive targeted and bespoke support plans.
- processes for engagement with Local Authority EWO Fast Track Prosecution services are in place.
- engagement with multi-agency professionals, early help assessment, whole family support, including special educational needs professionals.
- access to school resources in the first instance where there are out of school barriers for families.
- Children's Social Care are involved where there are safeguarding concerns and build support into attendance planning.

Expected attendance and legalities

- 4.1. The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school.
- 4.2. Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

Roles and responsibilities

5.1. Senior Leadership

- The Headteacher has overall responsibility for attendance in school. Each school within WPAT has a senior leader responsible for attendance. They will be the first point of contact should parents/carers have any concerns about their child's absence. The Senior Leader responsible for attendance in Frodsham Primary Academy is Gemma Callaghan and Sarah Carter.
- Responsibilities of the senior leader include championing and improving attendance in school, offering a clear vision for attendance improvement, evaluating and monitoring

expectations and processes, oversight of data analysis, and communicating messages to pupils and parents.

First day response and daily absence

- 6.1. School requires first day contact for a child's absence. The procedures for when first day contact is not received are recorded in the attendance protocols.
- 6.2. All other absences will be marked as unauthorised unless prior arrangement has been agreed with the Headteacher.
- 6.3. With regards to unexpected absence during term time, parents and carers should contact school daily during any absence.
 - School should be contacted by 8.30am on the day of absence
 - School should be updated daily for reoccurring absence
 - If no reason is provided, school will attempt to make telephone contact • If we are unable to make contact, a home visit will be conducted by 10.30am
 - If no contact is made during our home visit, then we will call 101.

Managing absence

- 7.1. Attendance is reviewed by the school attendance officer.
- 7.2. Where absence persists and voluntary support is not working or is not being engaged, school will work together with families to explain the consequences clearly and ensure support is also in place to enable families to respond. Depending on the circumstances this may include formalising support through a parenting contract or education supervision order.
- 7.3. The school is supported by The Attendance Service at the Local Authority and will seek advice and representation from this service to assist in the monitoring of poor attendees. The service will formulate a plan of action with the school to improve pupil attendance and if necessary, can instigate legal proceeding through the fasttrack process. Where all other avenues have been exhausted and support is not working or not being engaged with, attendance will be enforced through statutory intervention to protect the pupil's right to an education.

Recording attendance and authorising absence

- 8.1. Reasons for non-attendance should always be provided by parents/carers. If this is not the case the school will continue to contact parent/carer until a reason has been given.
- 8.2. WPAT have agreed with the Local Authority that the school will not authorise absence except for medical or illness or faith-based holiday. WPAT follows Local Authority guidelines and will not authorise any absence due to holiday unless exceptional circumstances can be proven. [Appendix 1](#)
- 8.3. School can request that any absence due to illness be verified with a doctor's appointment card or medical note if necessary. Detailed guidelines have been formulated and will be provided upon request.

- 8.4. Fixed codes for absence and attendance are used consistently throughout the school and are shared with parents/carers. [Appendix 3](#)

Requesting authorised absence

- 9.1. All other planned absences will be marked as unauthorised unless prior arrangement has been agreed with the Headteacher. Leave of absence forms can be found in the protocols.

Promoting and incentivising good attendance

- 10.1. WPAT aims to build strong relationships with families, listen to and understand barriers to attendance and work with families to remove them. They will be provided with support, advice and guidance where required. We will establish an effective and efficient system of communication with pupils, parents/carers and appropriate agencies to provide mutual information, advice and support. We are committed to working together with children and parents to promote 100% attendance wherever possible.
- 10.2. WPAT visibly demonstrate the benefits of good attendance throughout school life. This may include in displays, assemblies or through curriculum content. This will be done sensitively and without discrimination and may also include praising and rewarding improvements in attendance at whole school, key stage, year group, class and individual level. Praise and rewards systems can be found in the protocols.
- 10.3. When a pupil has not attended school for a significant period, we will recognise the needs of the individual pupil and carefully plan re-integration.

The use of data/tracking and monitoring of attendance

- 11.1. The Department for Education, Local Authority and WPAT require schools to monitor and report the attendance levels of every pupil. One of the reasons for this is the strong statistical link between attendance and attainment. The higher a pupil's attendance, the higher their levels of achievement. WPAT seeks to ensure that all its pupils receive a full-time education which maximises opportunities for each pupil to realise their true potential.
- 11.2. WPAT will rigorously and proactively use attendance data to identify poor patterns of attendance at individual and cohort level as soon as possible so that all parties can work together to resolve them before they become entrenched.
- 11.3. WPAT's Data Manager will provide monitoring reports for Trust, Governor Committees, and schools.

Strong Partnerships and working together

- 12.1. WPAT will work collaboratively with external partners to identify and address the root causes of absence and remove barriers to attendance, at home, in school or more

broadly. This work may include Early Help assessment, whole family planning and special educational needs assessment. It may also include working with Children's Social Care where there are safeguarding concerns. This support will be built into attendance planning.

12.2. Information will be shared with other schools in the area, Local Authorities, and other partners when absence is at risk of becoming persistent or severe.

12.3. Developing strong relationships and families will result in reduction in persistent and severe absence. These relationships will ensure families are supported to gain access to wider support services and will be provided with support to remove the barriers to attendance. When appropriate support will be formalised in conjunction with the local authority.

Training

13.1. All teaching and non-teaching staff will know the importance of good attendance, are consistent in their communication with pupils and parents/carers and receive the training and professional development they need. To ensure this happens all school staff will have received annual attendance training.

13.2. Information regarding attendance is part of school staff induction protocols.

13.3. The WPAT Education Inclusion Hub will support the sharing of good practice for attendance across the Trust.

ATTENDANCE PROCEDURES-IN LINE WITH SCHOOL ATTENDANCE POLICY

WPAT Pupil attendance and planned absence (Appendix to policy).

Definition of “exceptional circumstances” for term time holiday authorisation.

Legislative Framework:

It is a parent’s duty under Section 7 of the Education Act 1996, to ensure that their child of “compulsory school age” is to receive “an efficient, full time education”. A child is of compulsory school age from age five. A child should attend school from the start of term commencing on or after his / her fifth birthday. We, at WPAT, encourage good attendance from the day a child joins one of our schools.

Parents of registered pupils have a legal duty under Section 444 of the Education Act 1996 to ensure that children of compulsory school age attend school on a regular and fulltime basis. Permitting unauthorised absence from school is an offence and parents may be reported to the Trust, and other authorities, if problems cannot be resolved by agreement with the school. School policies describe the required levels of attendance and punctuality for good progress to be made at school.

The government expects schools to:

- Promote good attendance and reduce absence.
- Ensure that every child has access to full time education to which they are entitled; and,
- Act early to address patterns of absence.

The government also expects:

- Parents to perform their legal duty by ensuring their children of compulsory school age, who are registered at school, attend regularly.

The Education (Pupil Registration) (England) (Amendments) Regulations 2013 have amended Regulation 7 of the 2006 regulations to prohibit the Headteacher of a school from granting leave of absence to a pupil except where an application has been made in advance and the Headteacher considers that there are exceptional circumstances relating the request. WPAT and its Headteachers believe it is necessary to define what we consider to be “exceptional circumstances” to give further structure to the decision to decline authorisation of absence.

WPAT have four permitted areas of “exceptional circumstance”:

1. The death or terminal illness of an immediate family member, where immediate is defined as the parents / carers and siblings of the child in school.
2. Absence recommended by a health professional.
3. Religious observance.
4. Allowances made for the families of service personnel on active duty.

In addition, we apply a further “threshold test” to the fundamental definition of “exceptional”. We believe that the circumstances must be, rare, significant, and unavoidable to qualify.

Where the Headteacher is satisfied that there are exceptional circumstances to warrant the request for leave of absence but has additional concerns about the timing of the absence, or the pupil's attendance record, they may request a meeting with the parent / carer; the absence may not be authorised without attendance at this meeting.

If you require any further information or clarification, please refer your request to the school Headteacher via the school office.
