

Frodsham Primary Academy

Welcome back to the start of our new term!

Over the summer, we've had some exciting improvements in school. All of our internal doors have been replaced with brand-new fire doors, and a new fire alarm system has been installed. Not only do these upgrades make our school even safer, but they've also given the building a lovely fresh look.

We are really looking forward to welcoming all our children and families back this week.

School reopens on Wednesday 3rd September.

Here are a few helpful reminders as we start the new term:

It will be wonderful to see everyone back on Wednesday, ready for another exciting year of learning and fun!

Warm regards,
Mrs Callaghan
